[nikalp.23@robccl.k12.tr](mailto:nikalp.23@robccl.k12.tr)

**12<sup>th</sup> grade Robert College student** interested in developing software products and doing research on computer/data science related topics. I enjoy sharing my coding experience voluntarily to provide underserved students an equal opportunity, seeking to change my community and eventually the world for the better.

## Work Experience

### Freelance Python Developer FIVERR, Istanbul

11/2020 to Present

- Worked with over 50 clients from all around the world.
- Completed all my orders successfully with 98% of the clients leaving 5-star reviews.
- Here is my profile: <https://www.fiverr.com/alpnix>

### Event Organizer LIMITLESS MAKERS, Antalya/Ankara/Istanbul

06/2021 to 09/2021
